Response to pre-bid queries & Pre bid meeting dated 3rd April, 2018

Response to Queries

Sl	Query	Response of APMDC
1	Any increase/ decrease of GST from time to time during the period of the contract shall be accordingly fixed. Please clarify.	As mentioned in Section-B (point 19) of the RFP, the prevailing tax laws as per GST act shall apply. Any increase/decrease in GST rate shall be applicable and APMDC shall pay to contractor the GST as per the prevailing rate. However, the bidders are required to quote the rate (exclusive of GST) and the GST rate component separately and the rate exclusive of GST shall be considered for evaluation.
2	It is prudent that whenever Railways weigh rake of wagons on their Weigh Bridge the contractor shall not be held responsible for Under Weight / Excess Weight and charges incidental to the same. Please Confirm.	The contractor shall not be held responsible for Under-loading/ Excess loading and any other charges/penalties levied by the Railways. However the contractor shall pay the under loading/ excess loading and any other charges/ penalties to the Railways and APMDC shall reimburse the same to the Contractor upon submission of proper bills/ receipts. The contractor shall carry out the loading work under the direct supervision and direction of APMDC personnel in addition to representatives of the buyer(s). APMDC reserves the right to reject the reimbursement claim at its discretion in case of any discrepancy in carrying out of the work by the contractor as per instructions of APMDC/ Railways and/ or the documentation of bills and receipts. The above is applicable only for the rakes weighed on the Electronic In-motion weighbridge (EIMWB) by the railways
